Candidate: _____

Completing this recommendation form:

The student named above is applying for a scholarship and has asked you to provide Four County Community Foundation information you feel would be helpful in reviewing his/her application. The information you furnish is important to us. You may be assured that it will be considered confidential. Please return this recommendation form **directly to the applicant** no later than **March 1st**. Only applications that have the required (3) recommendations on file will be considered.

Please complete the following:

Name _____ Relationship to applicant _____

How well do you know the applicant? _____

How long have you known the applicant? _____

Do you think the applicant has the ability, determination, and discipline to complete his/her educational objective to succeed as an engineer/computer scientist? Why or why not?

Please respond to the following questions: (Use reverse side of this form)

Why would you recommend this student for scholarship assistance? You may wish to compare this student to other college-bound or college students you have known, describing the qualities or characteristics you feel set this applicant apart from the rest. This is also an opportunity for you to provide any additional information about the applicant that you feel would be useful to the selection committee during its deliberations.
