Responding to Critical Needs Amidst COVID-19

During these uncertain times, Four County Community Foundation continues to support the vital programs of our local nonprofits. Furthermore, our Pro-Active Committee has been enlisted to respond quickly to urgent requests related to COVID-19.

The Foundation has granted nearly \$35,000 thus far to local food pantries and shelters. We would especially like to thank the following donors for their generous support in these grantmaking efforts:

- Joseph & Bertha Corrión Charitable Fund
- Woods-n-Water Outdoor Foundation

Homeless and domestic violence shelters have been granted \$18,000 to fund unexpected expenses due to the pandemic.

Nearly \$17,000 has been

granted to food pantries to help them meet increased demand. Some of the funds were used to purchase additional freezers and stock them with locally-sourced meats. In an effort to also support small businesses, the remaining funds were used to purchase gift cards from local restaurants. The gift cards were then given

to families along with their food distribution.

We fully expect our relief efforts to continue over the coming months. If you would like to help with a financial gift, please visit our website at www.4ccf.org. Click on the 'Give Now' button, then select 'Covid-19 Emergency Response.' Thank you!

Scholarships Totaling Over \$290,000 Awarded to Local Students

Four County Community Foundation is proud to announce our 2020 Scholarship Recipients. Although disappointed not to be awarding these scholarships in person, we are inspired by the

determination and resiliency of our young people. *Congratulations Class of 2020!* We wish you the best in your college career and in all of your future endeavors.

In gratitude, we would also like to acknowledge our donors who made these scholarships possible. We appreciate the opportunity to memorialize your loved ones in such a meaningful way. Thank you!
