

FUND OVERVIEW

Field of Interest Fund

By establishing a field of interest fund with Four County Community Foundation, you can target your gift to address needs in a specific area of community life that matters most to you: arts, environment, children health. You choose.

Our program experts award grants to nonprofits and programs that are making a difference in the area you select. Your gift stays flexible enough to meet community needs in your interest area—even if those needs change over time.

HOW IT WORKS

GIVE TO YOUR FUND

INVEST FOR GROWTH

GRANTS TO NONPROFITS

- You identify an area of personal interest as broad or narrow as you wish.
- You make a gift to the community foundation during your lifetime or through a bequest in your will. You can give cash, appreciated stocks, real estate or other assets.
- We set up a special fund in your name, in the name of your family or business or in honor of any person or organization you choose.
- You may receive tax benefits in the year your gift is made.
- We evaluate needs and award grants in the name of the fund you establish (if you prefer, grants can be made anonymously).

HONORING A PERSONAL PASSION

When they lost their adult daughter, Susan, to cancer, the Perez family received hundreds of contributions from people throughout the community. Susan was a high school teacher, so many of the contributions came from fellow teachers and from parents of the students whose lives she had touched. “Susan cared so deeply about her work,” Mrs. Perez said. “And we wanted to use the money to continue in that spirit of helping children through their education.” The Perez family spoke with their local community foundation and decided to establish the Susan L. Perez Education Fund, a field of interest fund that memorializes their daughter by supporting local educators and students. “We chose to begin this kind of fund because education is so dynamic,” Mr. Perez said. “We realize that we aren’t always aware of what our school system needs and how it works, and we wanted to be sure that, even years from now, grants made in Susan’s name make sense for our community.”
