All follow-up documents will be sent to your registered email account.

**Essay Response: (Your Story)** All 4CCF scholarship applications require students to share their story in a narrative form using complete sentences and paragraphs. Your Story enables review committees to learn more about you. Sharing details about yourself provides the committee with a sense of who you are, how you spend your time, what your circumstances are like, and how Postsecondary Education opportunities support your life goals. Start thinking and writing about the following:

- **Majors:** Some scholarships are only offered when pursuing specific majors. Choose up to 3 majors.
- **Activities and Achievements:** Academic groups, extracurricular clubs, music, athletics. Include leadership roles and awards.
- **Community Involvement:** Ways in which you interact and impact your community. Include community service and volunteerism through scouting, church groups, etc.
- **Special Concerns:** Include any circumstances that present difficulty, such as financial hardship, learning challenges, family challenges, health challenges, obstacles and adversity.
- **Goals and Future Plans:** Include ways a scholarship award will help you achieve your goals.

**Other information you’ll need when applying**

- **Academic Information:** Your cumulative GPA, an unofficial transcript, your ACT/SAT scores if you took either test
- **Financial Information:** FAFSA Student Aid Index (SAI) report or a document stating why you did not complete a FAFSA form; the number of other scholarships you’ve applied for; the total value of other scholarships you have already received
