Message TO THE COMMUNITY

Dear Community Members,

As we reflect on the past year, we are both humbled and inspired by the incredible generosity of our community. Together, we have faced challenges, celebrated progress, and made an undeniable impact in the lives of countless individuals. Your support has not only sustained our foundation but has also helped bring vital programs and projects to life across our service area.

Thanks to your commitment in 2023, we've seen strides in enhancing educational opportunities, supporting our non-profits, and supporting local families in need. We have awarded more than \$320,000 in scholarships and over \$425,000 in grant dollars. These accomplishments would not have been possible without the collective spirit of giving and collaboration that defines our community.

This year's report highlights the many ways your contributions have strengthened our neighborhoods and empowered individuals to thrive. From the creation of new educational programs to support for local resilience efforts, every story featured here is a testament to the power of partnership.

As we look ahead, we are reminded that there is still more work to be done. With your continued support, we are confident that we can meet the challenges of tomorrow and create even more opportunities for everyone in our community.

On behalf of our board, staff, and partners, thank you for being a part of this journey with us. Together, we are building a brighter future.

Ken Hummel
Chairperson

New Funds

4CCF Hispanic Giving Circle

The goal of the Hispanic Giving Circle is to support programs, projects, and services impacting the Hispanic community in Four County Community Foundation's service area.

Almont Cemetery Association "Hough Cemetery" Fund

The primary purpose of the fund is to provide support to the Almont Cemetery Association's Hough Cemetery to carry out its role and mission as desired by its governing documents. The Hough Cemetery, established in 1854, is located in Almont Township.

Capac Community Historical Society Fund (Hazel Kempf Mack Trust)

The Capac Community Historical Society Fund (Hazel Kempf Mack Trust) was established by the board of trustees of the Capac Historical Society.

The primary purpose of this endowed agency fund is to preserve and honor the history of Capac, Michigan.

Green Space on Prospect Street Fund

The new non-endowed field of interest fund was created by a group of Romeo village residents who endeavor to preserve a vacant piece of property on Prospect Street as a dedicated green space. The property is currently owned by Romeo Community Schools and was the site of the former Romeo Middle School.

Imlay City Hispanic Service Center Fund

This new endowed agency fund, created in July 2024, will support the mission of the Hispanic Service Center. Located in Imlay City, the multi-cultural agency provides a range of social services to Lapeer County residents.
