HOW IT WORKS

- We set up a special fund in the name of your nonprofit organization.
- Your nonprofit organization receives regular statements on the fund.
- You can add to the fund at any time.
- You can request annual distributions from the fund or you can save up the available dollars for a large expense in the future.

DEVELOPING PERMANENCE

Dress to Work helps individuals transition out of underemployment by providing career training, mentoring and professional attire. Like many nonprofits, it struggles to cover operating expenses. Over the years, several of its volunteers have offered to contribute gifts of appreciated stock or real estate, but Dress to Work did not have the ability or expertise to accept those types of gifts. Executive Director Jenny Pike said, "We simply didn't have the sophistication to handle some kinds of gifts. It was so frustrating to turn away willing donors." As a result of establishing the Dress to Work Designated Fund at its local community foundation, the organization has added the ability to accept large and complex gifts. Plus, it was able to develop a planned giving program and a permanent endowment, providing a regular stream of support and leaving the management and reporting to the community foundation.
